Specialty Wipers

Wipers designed specifically for those more exacting tasks or more critical environments.

KIMTECH Preparation Wipers

Highly absorbent wiper that is ideal for surface preparation use prior to painting, coating, sealing or adhesive application. Low linting wiper which reduces the risk of process contamination. A durable wiper that will stand up to aggressive solvents without falling apart

[KIMTECH PREP* Wipers](#)

KIMTECH Wipers For WETTASK* System

An innovative solution for customers who want to use their own chemical solution to create a pre-saturated wiper for preparing, cleaning, disinfecting or sanitizing surfaces. Designed for use with detergents, water-based cleaners, and solvents. Ideal for general surface cleaning, sanitising and degreasing.

Specialty Wipers

KIMTECH SCIENCE* Dusting System

Designed specifically to meet the stringent needs of the laboratory, the KIMTECH SCIENCE* Dusting System delivers the quality you expect from the KIMTECH SCIENCE* brand. This easy to use system takes an innovative approach to cleaning under, over and around surfaces, shelves and equipment.

Duster Head: 389,000 dust trapping polyester fibres trap and hold dust and other particles. Environmentally friendly, chemical-free dusting leaves no residue, suitable for surfaces. Soft, flexible fibres shaped for dust pick up in crevices and contours where dust cloths can't reach

Duster Handle: Six inch handle with ergonomic grip for dusting low areas. Ready to use with no handle assembly required. Folds for space saving storage. Faster, more effective lab dusting. Disposable, easy-to-change duster heads. Suitable for cleaning surfaces

DID YOU KNOW?

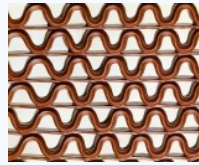

BPM Trading Company has the Largest Range of 3M Products in Sydney.
Ranging from Scourers, Wipers, Matting, Tapes, Safety Equipment,
Office Supplies & Many More.

3M SAFETY WALK MATTING

3M Safety Walk (Safe-Tigue) 5100 Matting combines excellent slip-resistant and anti-fatigue solutions for safety and comfort. The unbacked, open construction allows debris and liquids to pass through the mat. Excellent around function areas, commercial kitchens and bar areas. Resistant to grease and a wide variety of chemicals and detergents.

Standard Sizes: 914mm x 1.5m; 914mm x 6.0m

Standard Colours: Quarry Tile Red, Ebony Black

3M Safety-Walk 3200 Wet Area Matting is an unbacked mat designed to provide slip resistant footing around pools, spas, showers and in locker rooms. Specially formulated to resist chlorine and other chemicals commonly found in wet areas. Resilient vinyl 'Z' construction without backing provides a comfortable cushion for barefoot traffic and is resistant to fungus, mildew and body oils commonly found wet areas.

- Standard Sizes: 914mm x 6.0m
- Standard Colours: Blue, Wheat

3M Safety-Walk 5270E and 5270YE Cushion Matting is a durable medium profile vinyl mat with a solid textured top surface for work areas where people walk or stand and want fatigue resistance. Spring-coiled vinyl foundation provides cushion and support. The solid top prevents particles and fluids from flowing through the mat. Can be readily cleaned and disinfected. Suitable for light industrial, retail or non-retail commercial businesses

- Standard Sizes: 900mm x 1.5m; 900mm x 6.0m
- Standard Colour: Black, Black with Yellow Edge also available
